

MEMBER OF THE STATE ASSEMBLY, 68TH DISTRICT

AL SNOOK

OCCUPATION: Business Owner

I am the "Democrat" in this race. "This is the year for change". I believe there is no difference in our core beliefs, whether you are Democrat, Republican or Independent. We all hold the same human values. I am motivated to go to Sacramento representing the working families of the 68th District. Our District comprises some 56 cultures, which truly represents America. "Due to military duty, my right foot has a steel plate, I'm unable to walk pre-cincts."

As a Korean War Veteran of the United States Airforce, and a senior citizen, I can connect with the people of the 68th district. As your representative in the State Capitol, I will be there for you. A previous Teacher at Coastline and Santa Ana College, Tomorrow's America will depend upon excellence in all of our schools. Education, Affordable Health Insurance, Affordable Prescriptions for seniors, and Affordable Housing top the list.

I am active in community affairs, (example) - Vice President of the Vietnamese-American Chamber of Commerce of Orange County, the Asian Business Association of Orange County, instrumental in establishing the Hispanic Assembly of Orange County and a board member of the Garden Grove Residents Association, and other roles.

Family values and freedom keeps America strong, and I am proud to be endorsed by Congresswoman Loretta Sanchez and Senator Joe Dunn. Their districts overlap with many of our 68th district cities, giving us a powerful base of support for our local needs. "Working together for success". I would be honored to receive your vote.
